

3rd May 2024

Dear parents and carers,

This week we wanted to do a special shout out to our Year 6 pupils who have been working so hard in preparation for their SATs tests. They have been concentrating so much in class and we hope they have a wonderful long weekend!

Thank you to the parents who attended our stay and read event this week. We really really appreciate you supporting reading at school. We hope you enjoyed it as much as we did!

Communication

As a school we do a weekly newsletter to help keep families informed of events in school. At the bottom of the newsletter, we try to give notice of upcoming events. We do this each week. We also provide an overview of the term. Sometimes some new activities will come up but we do our best to make sure parents are aware of this. Please read onto the bottom to check you know what is happening in school. Following parent feedback we have also asked staff to send further reminders for class specific events and to make sure events are clearly labelled with the year groups they involve.

Safeguarding

This week's guidance focuses on Ofcom's Media Use and Attitudes Report for 2024, highlighting the most significant findings of their survey.

Parking

Please can we again remind parents about parking near the school site. As a school we are concerned about how cars park on the road adjacent to the school carpark. You may have noticed that we have added a tyre barrier to prevent cars blocking the pathway. .

We do not advise any children leaving school to walk to cars parked on the roadside. This is due to the amount of cars and the lack of visibility. Please take care if you drive and park here. We urge you to drive and park sensibly. Please remember that it is an access route for other businesses and emergency vehicles who may need access.

Best wishes,

Miss Austwick
Principal
